Registered Managers Ramblings

Welcome to the latest edition of the Daisy Chain. I can't decide which has been worse this year... snow and ice or this heat we are having! Whichever you prefer, hope you are enjoying your day! Since our last newsletter, we have had the sadness of saying goodbye to Debbie Patey, and soon to be saying goodbye to Deb Jones too. That said, it has been great welcoming Kim Bedford to the Teign Angels team. "Welcome Kim!!"

There have been some unusual goings on with all the different information coming out about Brexit. Though all are unsure of an outcome, the NHS England, along with the Care Quality Commission, have asked all to be reassured that they will continue to deliver their service, and to ask all not to stock pile medication as the used by dates, on the medication, are important to follow.

Well, this is not too much rambling from me, and I wish you a good rest of year. Thank you for reading.

News from the Shed

Work experience!

My name is Ewan Bedford and I am a year 10 student at Newton abbot college During this week I have been accepted into the Teign-Angels team to complete a work experience week from the 24th of June to the 28th of June. I have had a great time this week experiencing what life is like in an office environment where I was given tasks to answer phone calls, sort files and transfer data onto the system, and all throughout this process I have felt welcomed by all the staff that I have met in and out of the shed. During the week I have also been through

Health and Safety training within a working environment for myself and experienced what an official staff training is like at Teign Angels. On Wednesday I was invited out during the afternoon

to go an accompany staff member Julie going to a few of the client's houses where I interacted with them and gained knowledge on what it's like being cared for by the team at Teign angels, and it's safe to say they have a good reputation with clients. So, I would just like to say thanks to Dawn and Sophia for accepting me in for the week and to the rest of the team for being so kind.

We would like to take this opportunity to say a huge congratulations to one of our clients who recently got Married. Huge congratulations to...

We would also like to take this opportunity to remind you that you are welcome to pop into our shedquarters for a cup of tea if ever you are in the area...

...We might be out and about though, so best to ring ahead!

Tunes at Trago Mills.

Sophia had a fun time playing tunes with a band called Hogwash, to raise money for the Devon Air Ambulance.

The group of musicians, brought together in the clothes department of Trago Mills, managed to raise £176 for the air ambulance. There were other groups singing or playing on the build up to Christmas and all look forward to doing it again at the end of this year.
